

2023-2024 Tuition and Fees

The mission of Bergen-Lafayette Montessori School is to provide children with an affordable, high-quality early childhood education. Bergen-Lafayette Montessori School is able to provide a comprehensive curriculum full of enrichment activities and extracurricular experiences. Our Infant and Young Toddler Center is open between 8:00 am and 6:00 pm. Our Toddler and Primary classrooms are open from 8:30 am – 3:00 pm, with extended day options available from 7:30 am – 8:30 am and 3:00 pm – 6:00 pm. Snacks, enrichment activities, and periodic field trips (if permissible) are offered in the Toddler and Primary programs during the school day and included in tuition cost. Please note that the tuition fee is non-refundable and once the Tuition Agreement is signed, families are required to remit tuition for the entire school year even in the instance of illness, vacation, or early withdrawal. Parents may increase the number of days their children attend school during the year. A decrease in enrollment is not permitted. **Priority enrollment is given to families desiring to enroll children in Bergen-Lafayette Montessori School's programs five days per week.**

BLMS is committed to economic diversity and access to Montessori education for a diverse population of students. For this reason, the school provides families with several options for remitting tuition – annual, semi-annual, and monthly. Regardless of the tuition payment option chosen, families are expected to remit a child's entire annual tuition by the end of the school year, regardless of absences or early withdrawal. Our school offers various discount options for early enrollment, siblings, and families remitting annual tuition in one or two payments. Please email our Business Manager, Queenie Yu, at gyu@bergenlafayettemontessori.com, for additional details.

Please note that BLMS does not offer month-to-month enrollment plans like a daycare center may. Enrollment is handled on an annual basis. In order to ensure accessibility to authentic Montessori education for as many children as possible, including families who cannot afford to pay the annual tuition in one installment, we offer several payment options. However, the agreement is for a school year and tuition is expected to be paid in full for that school year once the Tuition Agreement has been signed.
